Safe Haven is a faith led initiative designed to support community members who are struggling with secondary trauma, fear, or frustration as a result of exposure to gang violence.

A Safe Haven is being activated in response to the recent shooting of two individuals in this neighborhood.

Please join us as we gather together to support one another and begin the healing process.

All community members are welcome regardless of their faith.

Refreshments and Child Care will be provided.

Out of Respect to Individuals Seeking Support, Safe Havens Protect the Privacy of Those in Attendance.
